

Questions & Answers for USDA RFQ 12314424Q0168 (Thailand ATM) (8/26/2024)

Number	Document	Section	Paragraph	Page	Question	Answer
1	B02-Attach-5	Total Costs for Hotel	N/A	1	Does the total cost of \$40,099 include VAT?	The VAT is <u>not</u> included. Please add VAT as a separate line item on the pricing worksheet.
2	B02-Attach-5	Total Costs for Hotel	N/A	1	Can we include a line item in the pricing sheet to account for exchange rate fluctuations and VAT (if this was not included in the quote provided by the hotel)	See question above pertaining to VAT. The Government will not allow you to adjust your firm fixed price quote for changes in the exchange rate after award. Please include potential exchange rate fluctuations in your management costs or as overhead (risk). It is not something that you need to itemize on the pricing worksheet. Please provide your total firm fixed price quote to support the ATM in dollars.
